

PSAC Meeting Minutes May 7, 2015

Attendees

Dan Damore (CA), Daniel Kirk-Davidoff, Bill McCormack, Gerry Witte

- Ongoing Beautification Projects

- Patriot Land Pond

- Implement Step Pool; Nurture trees; Clean Debris; Signage; Planting on Isthmus

- Farewell Road across from Fallen Stone

- Initial work (including grass seed planting) is complete

- Wooded area near Stevens Forest Elementary School

- Need to coordinate with HCPSS

- **Patches of Bamboo in Oakland Mills** - this has been reported to CA OSMD. Mike Lilly responded that this will be taken care of.

- **CA OSMD Best Practices Document** - not much happening but a partnership between the CA OSMD and a University of Maryland Department is being discussed. This could result in cooperative planning and/or implementation projects oriented toward Columbia.

- **CA Open Space Bordering Private Property** - Bill McCormack and Sean Harbaugh will meet to discuss.

- **CA Open Space Vegetation Management Plan** - no progress but this topic is a good example of the need for additional resources for the CA OSMD.

- **PSAC Support for Increased CA OSMD Resources** - G. Witte is preparing some talking points in anticipation of the next CA Budget Review process and Resident Speak Out. These talking points will be first presented to the OM Village Board in an attempt to get Board endorsement of the recommendations to be presented.
