This program applies throughout the County to any house that is assessed at \$325,000 and under, over 30 years old, has had a decline in assessed value and is not in good repair. There is no income restriction on the prospective buyer. They must buy, own and occupy only this house. Howard County has proposed to put \$2 million into a loan guarantee fund. They will work on getting banks to put a total of \$20 million into the pool. The owner's house will be market rate. The house will be bought as is and then the purchaser must put at least \$5000 into the house, but does have the option of remodeling.
- **Ms. Engelke** asked if the buyer has to apply when purchasing the house. **Mr. McCormack** responded yes, at the time of purchase.
- **Ms. Engelke** asked if there was a minimum time the buyer has to live in the house. **Mr. McCormack** stated no.
- **Ms. Thomas** stated that this is a countywide program and the buyer's income is irrelevant. The OMCA Board would help to advertise this program. Proposed Legislation for Affordable Housing in Downtown Columbia and for Tax Increment Financing for public improvements in Downtown Columbia

- Carl DeLorenzo, County Executive's Director of Policy and Programs, was present to explain the joint recommendations and why they are being supported by County Executive Allan Kittleman (ATTACHMENT "C"). Mr. DeLorenzo gave background information regarding the Downtown Columbia proposal.

Greg Fitchitt, Vice-President, Development, the Howard Hughes Corporation

- Greg Fitchitt distributed information regarding Downtown Columbia and TIF bonds (ATTACHMENT "D"). He stated that all that is proposed to be done represents less than 50% of all of downtown.
- Resident Jervis Dorton asked why the plan does not include the Columbia Mall which is a main part of downtown. Mr. Fitchitt replied that General Growth Properties owns the mall, not the Howard Hughes Corporation.
- **Mr. Verchinski** asked why the downtown plan should not extend out further to include the Bridge since

the entire development is predicated on walking, biking and transit. Mr. Fitchitt responded that there are rules as to how boundaries have to be set. Mr. Fitchitt suggested that possibly TIF proceeds could be used to finance further developments.

- Resident Cathy Spain asked if the transportation improvements being proposed were being generated by new income taxes. Mr. Fitchitt responded that the transportation improvements would be funded by the TIF proceeds. Ms. Spain asked if the money would be for the proposed third interchange. Mr. Fitchitt responded that he cannot say the interchange will be built for certain, but that there is money set aside.
- Chris Alleva asked what the assessed value of the proposed buildings was. Mr. Fitchitt stated he did not know. Mr. Alleva stated that the assessed value is \$6 million which seems to be a lot of money for a fire station and a library. Mr. Fitchitt stated that that is just estimation.
- **Mr. Avery** asked if tax dollars for the future are estimations. Mr. Fitchitt stated that yes, in order to come up with development TIF, assumptions are built in.
- **Ms. Wisniewski** asked of the completed housing in Downtown, how much is leased/rented. Mr. Fitchitt responded approximately 380 units.
- **Mr. Woodcock** stated that the projected number of 19,500 jobs predicted seems a bit ambitious. How is that broken down? Mr. Fitchitt stated that the projection is of development shown.

Councilmember Jen Terassa, District 3, Presentation on 3 Council Bills that she Introduced Regarding Downtown Columbia Plan Affordable Housing

- Councilmember Terassa gave details regarding her Council bills and distributed her “Key Concerns about the Administration’s Proposal” (ATTACHMENT “E”).
- **Ms. Wisniewski** asked why the plan proposes building a brand new library in downtown when money is currently being put into renovating the existing central library.
- Resident Paul Wisniewski stated that more affordable housing is needed and that the County should be more forceful with developers when building that affordable housing needs to be included. Councilmember Terassa responded that any new housing should include affordable housing.
- **Mr. Edelson** asked if there was any fee in lieu option. Councilmember Terassa stated that under her proposed plan there is no fee in lieu option.
- Resident Spain asked what is going on procedurally. Councilmember Terassa responded that there are currently two competing packages. Amendments can be made to whichever package the Council agrees upon.
- **Ms. Thomas** asked whether Section 8 housing will be guaranteed to move downtown. Mr. DeLorenzo stated not project based vouchers.
- **Ms. Engelke** asked if there was something from a development point of view that a specific number of affordable housing units should be included. Councilmember Terassa stated that there are tax credits at a certain level that the developer would qualify for. It may change the way a project is financed.
- **Mr. McCormack** thanked all presenters and attendees and called for a recess at 8:31pm
- **Mr. McCormack** called the meeting back in to order at 8:39pm.

The Safety and Security Committee

July 26, 2016

We have been updating our crime spreadsheet daily using a variety of social media. As community members contact us with concerns, we give them support and resources, educate them on how to contact the police with concerns, and get details about the crime for them. The most recurring crime seems to be personal assaults and home burglaries. Over the past several weeks, the crime in Oakland Mills has dropped, when compared with the surrounding neighborhoods.

Bike with a Cop in Oakland Mills has been planned for August 4 @ 6:30 PM. Children 5-12 and their parents will meet the Pathway Patrol in front of The Other Barn. The HCPD's Pathway Patrol will bike the pathways of Oakland Mills with the participants. Children 9 and under must be accompanied by an adult. This activity will take approximately 45 minutes to one hour. Wearing a helmet would be a great idea for safety. This event is sponsored by the HCPD's Pathway Patrol and the Oakland Mills Safety and Security Committee. We have arranged to have pom poms available for any Board members, PTA Board members, or community members to cheer the bikers on.

The Anturon HOA has been contacted by our committee. We will be meeting with them briefly to hear their concerns about the safety and security of their community.

Our next meeting will be on Tuesday, August 16 at 7 pm. Hoping to see you there.
