

Safety and Security Committee
January 2017

The Safety and Security Committee has personally observed accidents at the Farewell/Stevens Forest intersection. This is where the round about is to be installed. There have also been traffic problems in front of Stevens Forest Elementary school which escalate during inclement weather. Officer Buchanan has been made aware of these incidents and has been requested to have police presence at the school during dismissal.

We will be hosting a neighborhood meeting on January 26 with Officer Buchanan to discuss and problem solve neighborhood disturbances and destruction of CA property on Greco Garth.

We have been called concerning absentee landlord negligence on 3 properties in Thunder Hill, and contacted Officer Buchanan. We are awaiting his response.

The Consumer Protection Awareness Presentation is being planned with Sandy Cederbaum, Rebecca Bowman - Administrator of the Office of Consumer Affairs, and Officer Andre Lingham - Senior Citizen Liaison. This presentation will be on Wednesday, May 17, from 6:30-8:00 pm at The Other Barn.

On Sunday evening, Jan. 8 there was a chimney fire on Rocksparkle Row. The house is uninhabitable. The family of 5, including 3 young children, stayed at a neighbor's last night.

Our next Safety and Security Meeting will be on Jan. 17 at The Other Barn from 7:00-8:00 pm.
