- Remembering When - a Fire and Fall Prevention presentation

This presentation was attended by approximately 12 residents. Rachel Burlas - Risk Reduction Educator from the Howard County Fire and Rescue Services was dynamic. I think everyone learned at least one important fact that applied to their own situations. Sandy and I sent out a newsletter with tips following the presentation.

- Neighborhood Meeting

Our next Neighborhood Meeting will be held with Officer Roberto Lopez on Thursday, November 16th. These meetings are attended by a small group of neighbors wanting to gain ideas to make their properties safer and more secure.

When asked what the best advice was for all neighborhoods, Officer Lopez said, "Never hesitate to call the police if you feel threatened or see someone or something that looks suspicious."
