ENVIRONMENTAL RESOURCES

Columbia Association's Watershed Management

[Website](#)

Phone: 410-312-6336

Email: OpenSpace.ResourceRequests@columbiaassociation.org

CA offers several ways that community members can help contribute to a healthier watershed:

- Weed Warriors Program
- Rain Garden Cost Share Program
- Free soil testing

Visit CA Watershed Management's website or call the phone number listed above for information on these programs. For other Watershed Management Resources, visit CA Watershed Management's [Resources page](#).

Live Green Howard County

[Website](#)

Office of Sustainability Phone: 410-313-0700

Assists both agricultural and residential property owners to learn about and install best management practices that protect water quality.

University of Maryland Extension: Bay-Wise Landscape Management

[Website](#)

Phone: 410-313-1913

Learn about landscape practices that protect the Chesapeake Bay and our local waterways. Request an on-site evaluation of your property by a team of Howard County Master Gardeners and receive advice on dealing with concerns such as storm water management, erosion, Integrated Pest Management, composting and inclusion of native plants in the landscape.

Visit the sidebar on the website for more resources, such as the Master Gardeners program.

USEFUL LINKS FROM OAKLAND MILLS WORKSHOPS

Conserving Columbia's Tree Canopy

Tree canopy provides many benefits to communities:

- improved water quality
- energy savings
- lower city temperatures
- reduced air pollution
- enhanced property values
- Improved wildlife habitat
- facilitation of social and educational opportunities
- aesthetic benefits.

The following resources can help homeowners understand the importance of the tree canopy and how to preserve it:
