Dear Oakland Mills Residents,

Welcome to Oakland Mills!

I want to take a moment to welcome you, our newest residents, to Oakland Mills. We are excited that you have chosen to live in a community that is welcoming and caring. We value the diversity that we each bring to Oakland Mill and hope that you can enjoy living here as much as those who have lived in Oakland Mills for the past 52+ years! We encourage you to be a part of our ongoing community meeting and events. Please visit oaklandmills.org for details!

Oakland Mills Community Association (OMCA) is a non-profit civic organization whose mission is to promote the health, safety, common good, and social welfare of all its village members (owners of property, renters of property, and business owners) within Oakland Mills. Oakland Mills has three neighborhoods: Stevens Forest, Talbott Springs, and Thunder Hill. Oakland Mills was named for an historic Howard County mill.

The Other Barn is the community center for Oakland Mills and is located in the Oakland Mills Village Center. The Other Barn is home to the community association staff offices and has meeting and reception space available for rent.

The Other Barn is open with our staff available to assist you Monday through Thursday from 10:00 a.m. to 4:00 p.m. OMCA staff are working hybrid hours due the ongoing pandemic. The best way to reach our staff and our board of directors is through email. Emails are listed at the end of this letter. We are happy to meet with you in person, by appointment, so please email and we'll find a convenient time to meet. During business hours we provide notary, fax, copying, and laminating services (for nominal fees). In addition, we sell printed resale packets (\$25) if you prefer to purchase rather than download the packet (there is no cost for downloading).

Our venue is the perfect site for weddings, rehearsal dinners, graduation parties, family gatherings, and business events and can accommodate up to 200 guests. Once a part of the Owings Dorsey Dairy Farm, The Other Barn has been remodeled and decorated to preserve its rustic charm and provide a unique and pleasant atmosphere. Adjacent to The Other Barn is a private, flower-filled courtyard. Please visit our venue's website, www.theotherbarn.org, to learn more details about the venue and rental options.

The Village Board of Directors and Resident Architecture Committee (RAC) hold their meetings at The Other Barn. (CURRENTLY meetings are held virtually due to the pandemic.) The Other Barn is the center the Village's annual Oakland Mills Fall Festival (which will be held on October 1, 2022), the Oakland Mills Farmers Market (Sundays between May and the end of November), and a variety of events and programs throughout the year.

How we communicate with you: Several times a month we send out emails on a variety of topics and upcoming events. Our bi-monthly email news is entitled the **OMeNEWS**, and our bi-monthly Oakland Mills School email is entitled **OM School News**. If you would like to be added to the Oakland Mills

Community Association email [listserv](#), please visit our website, oaklandmills.org, and click on the “Sign Up” button under “Join our Email List,” located on the homepage.

The community has two Facebook pages: OMCA’s official page, *Oakland Mills Village*, and our venue page, *The Other Barn*, which contains facility photos and rental information. These pages can be found using Facebook’s search bar.

Programs and Events: The community sponsors many programs and events for all ages. Our popular programs include *Jazz in the Mills* concerts, *Lively Arts for Little Ones* (live performances for young audiences), art exhibits, the annual Pool Party, Breakfast with Santa, the annual Oakland Mills Fall Festival, Volunteer Recognition Reception, Family Bingo, Landscaping and Gardening Workshops, annual Plant Sale, and other community-wide events. Visit our website, oaklandmills.org for a complete listing of programs and events. Our Annual Plant sale will take place in May. This is a great time to purchase quality annuals, herbs, and hanging baskets at very reasonable prices. The proceeds go directly back into the Oakland Mills community.

OMCA’s Board of Directors and Columbia Association Board Member from Oakland Mills are elected annually by the members (residents/renters) to manage the business of OMCA. Village elections are held the last Saturday of April (4/23/2022), and the Board year term runs from May 1 through April 30. The Oakland Mills Board currently has seven members. The Columbia Association Board member from Oakland Mills is also elected annually. Residents will receive an election newsletter, voting options, a mail-in ballot/envelope, and election day information in early April 2022.

The Oakland Mills Board carries out its duties with the assistance of volunteers and paid community association staff. The village board currently meets virtually the second and fourth Tuesday of each month at 7:00 p.m. Residents are encouraged to attend board meetings. Each meeting begins with an opportunity for “Resident Remarks” on issues or concerns you may have. We have several active community committees that are always looking for engaged residents to join them. A list of committees and contact information can be found at oaklandmills.org under the header “OMCA Board and Committees.”

OMCA Covenants, Resident Architectural Committee (RAC), Architectural Committee, and Architectural Guidelines are in place to preserve and maintain the architectural character of Oakland Mills.

IMPORTANT COVENANT COMPLIANCE INFORMATION

More and more new property owners are purchasing homes in Oakland Mills that are not in compliance with the village association’s Covenants. Maryland State Law requires that all known issues of property non-compliance be disclosed at Closing. Unfortunately, we do not think this is occurring. As a property owner in Oakland Mills, we want to make sure you understand the importance of covenant compliance. If you have purchased a home “out of compliance,” we want to begin working with you immediately to help you understand the process, the items out of compliance, and how to bring your property into covenant compliance. You are legally obligated to ensure that your property is in compliance with our village Covenants. Please contact our Covenant Advisor for Applications, Michael Vaughn, at applications@oaklandmills.org or call 410-730-4610 to discuss this issue. We are here to inform you, guide you, and help you.

EXTERIOR CHANGES TO YOUR HOME OR PROPERTY

Please refer to the *Architectural Guidelines* before making any exterior changes to your home. If you are planning to make exterior alterations to your house, you must apply by submitting an Exterior Alteration

Application to the OM Resident Architectural Committee (RAC). The OMCA *Architectural Guidelines* and all of the information you need are available in this resale packet, at The Other Barn, and online at oaklandmills.org under the heading, “Covenant Info.” All new residents should have been provided with this document at closing, along with OMCA’s By-Laws and amendments, Articles of Incorporation, and Covenants. All documents can be viewed on oaklandmills.org under the header “Resources and Documents.” We hope you find this information clear and useful. Please contact our Covenant Advisor for Applications at 410-730-4610 or applications@oaklandmills.org if you would like assistance with the process or have any questions.

Many new residents are unaware that they are required to maintain the area between the sidewalk and street that abuts your property. This especially pertains to mowing and leaf removal. You are also required to remove snow/ice from the sidewalks that abut your property (per Howard County law). If you have a question or concern about the condition of a property in Oakland Mills, you can contact Karina Caico, our Covenant Advisor for Property Concerns at 410-730-4610 or propertyconcerns@oaklandmills.org.

Volunteer! This is the best way to meet your neighbors and get involved! We have many volunteer opportunities that I’d be happy to discuss with you!

Finally, please stop in to meet me and our helpful staff and to tour The Other Barn. We have a welcome packet for you and a lot of useful information. I’m proud of this great village and look forward to meeting you and personally welcoming you to Oakland Mills!

During that three (3) year period commencing with the date of the recording of this Declaration, HRD may annex additional lands to the Property in its absolute discretion. From and after the termination of said three (3) year period, additional lands may be annexed to the Property provided that each such annexation is approved in writing by the Federal Housing Administration or by two-thirds ($\frac{2}{3}$) of the members of the Association entitled to vote.

ARTICLE III

MEMBERSHIP; VOTING RIGHTS

Section 3.01. The Association shall have as members only Owners and Tenants. All Owners and Tenants shall, upon becoming such, be deemed automatically to have become members and there shall be no other qualification for membership. Membership shall be appurtenant to, and shall not be separated from, the ownership of any of the interests described in Sections 1.17 or 1.20 hereof.

Section 3.02. All members, so long as the same shall qualify under this Article III, shall be entitled to vote on each matter submitted to a vote at a meeting of members. Each member of the Association shall have one vote, subject to the following exceptions and conditions:

A. If any member owns or holds more than one "Unit" (as defined in Section 1.17 hereof) or lease (in accordance with the terms of Section 1.20 hereof) such member, subject to the provisions of this Article III, shall be entitled to one vote for each such Unit or lease.

B. When any such Unit or lease is owned or held by more than one member as tenants by the entireties, or in joint tenancy or tenancy in common or any other manner of joint or common ownership or interest, such members shall collectively be entitled to only one vote relative to such Unit or lease, and if such members cannot jointly agree as to how that vote should be cast, no vote shall be allowed with respect to such Unit or lease.

C. Any member who is in violation of the Restrictions, as determined by the Association Board, shall not be entitled to vote during any period in which such violation continues. Any member who fails to pay any dues or any special assessment established by the Association shall not be entitled to vote during any period in which any such dues or assessments are due and unpaid.

D. The Association Board may make such regulations, consistent with the terms of the Restrictions and the Association Charter, as it deems advisable for any meeting of members, in regard to proof of membership in the Association, evidence of right to vote, the appointment and duties of inspectors of votes, registration of members for voting purposes, and such other matters concerning the conduct of meetings and voting as it shall deem fit.

E. Except as specified in this paragraph and in paragraph F immediately following, no member shall be entitled to assign his right to vote, by power of attorney, by proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that in the case of a corporate member, the vote may be cast by an appropriate

officer of such corporation; (ii) that in the case of joint or common ownership as set forth in subparagraph B. of this Section 3.02, any one such member shall be entitled to cast the vote with respect to the Unit or lease in question; (iii) that members unable to attend a meeting at which Directors of the Association are to be elected or at which a representative to the Columbia Council is to be elected shall be entitled to file a written vote under absentee balloting regulation provided in the By-Laws; and (iv) agencies or instrumentalities of the Federal Government, if otherwise entitled to vote, may vote by written proxy.

F. On any matter submitted to the members for vote, other than the election of Directors of the Association or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures, at this election:

(i) the member may sign a written proxy designating a particular individual to cast the member's vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or

(ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this paragraph F shall have the same force and effect as if the member in question had appeared at the meeting and had cast this vote in person.

Section 3.03. The Association shall adopt by-laws specifying the method by which it will be apprised of the names and addresses of all Owners and Tenants and the number of votes to which each is entitled as provided in Section 3.02 hereof.

ARTICLE IV

ASSOCIATION DUES AND ASSESSMENTS

Section 4.01. The Association Board shall have the right to charge members reasonable dues and to assess reasonable pro rata assessments for capital improvements; provided, however, that such dues and assessments shall not be enforceable obligations against any member nor shall they create liens against any part of the Property. The sole remedy for nonpayment of such dues or assessments shall be the suspension of the delinquent member's voting rights (except with respect to the casting of a vote for a representative to the Columbia Council) and the right to use Association Land until such payment is made, but no such suspension shall in any manner relieve the member of the obligation to abide by all Restrictions. In order to regain the right to vote and to use Association Land, the delinquent member need pay only the then current dues and assessments and need not pay delinquent dues and assessments for prior years.

ARTICLE V PROPERTY RIGHTS

Section 5.01. Every member shall have a right and easement of enjoyment in and to Association Land and such easement shall be appurtenant to and shall pass with any of the interests described in Sections 1.17 or 1.20 hereof. (a) to limit the number of guests of members in or upon any Association Land or any facilities located thereon:

(b) to charge reasonable admission and other fees for the use of any recreational facilities situated upon Association Land ;

(c) to borrow money for the purpose of improving Association Land and in aid thereof to mortgage the same;

(d) to suspend the voting rights and right to use of any such recreational facilities by a member for any period during which any dues or any assessment remain unpaid or during which a violation of the Restrictions exists; and for a period not to exceed 30 days for any infraction of rules and regulations adopted and promulgated by the Association;

(e) to grant easements or rights of way to any public utility corporation or public agency;

(f) to dedicate or transfer all or any part of the Association Land to any public agency or authority or to CPRA for such purposes and subject to such conditions as may be agreed to by the Association and such transferee. No such dedication or transfer shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3) of the votes has been properly filed among the records of the Association, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than sixty (60) days in advance of the meeting at which such instrument is first presented for signature.

Section 5.02. A member's right of enjoyment in Association Land shall automatically extend to all members of his immediate family residing on any part of the Property. No guests shall be entitled to exercise such right of enjoyment or to any me of Association Land except as provided in, and subject to, such regulations as may be promulgated by the Association Board.

ARTICLE VI

Section 6.01. Each Owner shall keep all Lots owned by him, and all improvements therein or thereon, in good order and repair, including but not limited to, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. If, in the opinion of the "Architectural Committee", as hereinafter defined, any Owner fails to perform the duties imposed by the preceding sentence, CPRA, or the Association, after approval by a two-thirds (2/3) decision of the Association Board, and after fifteen (15) days' written notice to Owner to remedy the condition in question, shall have the right, through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot or such improvements and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question.

Section 6 02. The lien provided In Section 6.01 hereof shall not be valid as against a *bona fide* purchaser (or *bona fide* mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

ARTICLE VII

ARCHITECTURAL COMMITTEE; ARCHITECTURAL CONTROL

Section 7.01. The "Architectural Committee" shall be composed of those three (or more individuals so designated from time to time (i) by HRD during the Develoпрnent Period and (ii) by

CPRA and the Association after the Development Period, CPRA being entitled at all times after the Development Period to appoint a majority thereof. Except as hereinafter provided, the affirmative vote of the membership of the Architectural Committee shall be required in order to adopt or promulgate any rule or regulation, or to make any findings, determinations, ruling or order, or to issue any permit, authorization or approval pursuant to directives or authorizations contained herein. With regard to review of plans and specifications as set forth in this Article VII, however, and with regard to all other specific matters (other than the promulgation of rules and regulations) as may be specified by resolution of the entire Architectural Committee, each individual member of the Architectural Committee shall be authorized to exercise the full authority granted herein to the Architectural Committee. Any approval by one such member of any plans and specifications submitted under this Article VII, or the granting of any approval, permit or authorization by one such member in accordance with the terms hereof, shall be final and binding. Any disapproval, or approval based upon modification or specified conditions by one such member shall also be final and binding, provided, however, that in any such case, any applicant for such approval, permit or authorization may, within ten (10) days after receipt of notice of any such adverse decision, file a written request to have the matter in question reviewed by the entire Architectural Committee. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to and reviewed as soon as possible by the entire Architectural Committee. Thereafter, the decision of a majority of the members of the Architectural Committee with respect to such matter shall be final and binding.

Section 7.02. No Structure shall be commenced, erected, placed, moved on to or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced on any Lot, unless plans and specifications (including a description of any proposed new use) therefor shall have been submitted to and approved in writing by the Architectural Committee. Such plans and specifications shall be in such form: and shall contain such information, as may be required by the Architectural Committee, but in any event shall include (i) a site plan of the Lot showing the nature, exterior color scheme, kind, shape, height, materials and location with respect to the particular Lot (including proposed front, rear and side set-backs and free spaces, if any are proposed) of all Structures, the location thereof with reference to Structures on adjoining portions of the Property, and the number and location of all parking spaces and driveways on the Lot; and (ii) a grading plan for the particular Lot.

Section 7.03. The Architectural Committee shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

- (a) the failure of such plans or specifications to comply with any of the Restrictions;
- (b) failure to include information in such plans and specifications as may have been reasonable requested;
- (c) objection to the exterior design, appearance or materials of any proposed Structure;
- (d) incompatibility of any proposed Structure or Lot with existing Structures or uses upon other Lots in the vicinity;
- (e) objection to the location of any proposed Structure upon any Lot or with reference to other Lots in the vicinity;
- (f) objection to the grading plan for any Lot;
- (g) objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed Structure;

(h) objection to parking areas proposed for any Lot on the grounds of (i) incompatibility to proposed uses and Structures on such Lot or (ii) the insufficiency of the size of parking areas in relation to the proposed use of the Lot; or

(i) any other matter which, in the judgment of the Architectural Committee, would render the proposed Structure, Structures or uses inharmonious with the general plan of improvement of the Property or with Structures or uses located upon other Lots in the vicinity.

In any case where the Architectural Committee shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the Architectural Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

Section 7.04. Upon approval by the Architectural Committee of any plans and specifications submitted hereunder, copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Committee, and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same.

Section 7.05. The Architectural Committee may promulgate rules governing the form and content of plans to be submitted for approval or requiring specific improvements on Lots, including, without limitation, exterior lighting and planting, and may issue statements of policy with respect to approval or disapproval of the architectural styles or details, or other matters, which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the Architectural Committee at any time, and no inclusion in, omission from or amendment of any such rule or statement shall be deemed to bind the Architectural Committee to approve or disapprove any feature or matter subject to approval, or to waive the exercise of Architectural Committee's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver of the Architectural Committee's right, in its discretion, to disapprove such plans or specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use on any other Lot or Lots. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be revoked or rescinded thereafter, provided, (i) that the Structures or uses shown or described on or in such plans and specifications do not violate any specific prohibition contained in the Restrictions, and (ii) that the plans and specifications, as approved, and any condition attached to any such approval have been adhered to and complied with in regard to all Structures on and uses of the Lot in question.

In the event that the Architectural Committee fails to approve or disapprove any plans and specifications as herein provided within sixty (60) days after submission thereof, the same shall be deemed to have been approved, as submitted, and no further action shall be required.

Section 7.06. If any Structure shall be altered, erected, place or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Architectural Committee pursuant to the provisions of this Article VII, such alteration, erection, maintenance or use shall be to have been undertaken in violation of this Article VII and without the approval required herein, and, upon written notice from the Architectural Committee, any such Structure so altered, erected, placed or maintained upon any Lot in violation hereof shall be removed or realtered, and any such use shall be terminated, so as to extinguish such violation.

If fifteen (15) days after the notice of such violation the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, CPRA or the Association shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question. The lien provided in this Section 7.06 shall not be valid as against a *bona fide* purchaser (or *bona fide* mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

Section 7.07. Upon completion of the construction or alteration of any Structure in accordance with plans and specifications approved by the Architectural Committee, the Architectural Committee shall, upon written request of the Owner thereof, issue a certificate of compliance in form suitable for recordation, identifying such Structure and the Lot on which such Structure is placed, and stating that the plans and specifications, the location of such Structure and the use or uses to be conducted thereon have been approved and that such Structure complies therewith. Preparation and recording of such certificate shall be at the expense of such Owner. Any certificate of compliance issued in accordance with the provisions of this Section 7.07 shall be prima facie evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all Structures on the Lot, and the use or uses described therein comply with all the requirements of this Article VII, and with all other requirements of this Declaration as to which the Architectural Committee exercises any discretionary or interpretive powers.

Section 7.08. The Architectural Committee may charge and collect a reasonable fee for the examination of any plans and specifications submitted for approval pursuant to this Article VII, payable at the time such plans and specifications are so submitted, provided, that such fee shall not exceed fifty per cent (50%) of the amount chargeable by the appropriate governmental authority for the application for and processing of building permits for structures on the Lot with regard to which such plans and specifications are submitted.

Section 7.09. Any agent of HRD, CPRA, the Association or the Architectural Committee may at any reasonable time or times enter upon and inspect any Lot and any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and the maintenance, construction, or alteration of Structures thereon are in compliance with the provisions hereof; and neither HRD, CPRA, the Association nor the Architectural Committee nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Nothing herein contained shall be deemed to affect or limit the rights of the Owners of the Lots within the Property to enforce the Restrictions by appropriate judicial proceedings.

Section 14.02. The failure of Declarant, CPRA, the Association or the Owner of any Lot included in the Property, their respective legal representatives, heirs, successors and assigns, to enforce any Restrictions herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to such a violation or breach occurring prior or subsequent thereto.

In so adopting and promulgating such rules and regulations, and in making any finding, determination, ruling or order or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, CPRA and the Architectural Committee shall take into consideration the best interests of the Owners and Tenants and of the Property to the end that the Property shall be preserved and maintained as a high quality community.

ARTICLE I

MEMBERS

SECTION 1.01. *Annual Meetings.* The Association shall hold each year, commencing with the year 1969, an annual meeting of the members for the election of directors, the election of a representative to serve for a one year term as the representative of the Association on the Columbia Council, and the transaction of any business within the powers of the Association, at 8:00 o'clock P.M., on the second Thursday in February in each year if not a legal holiday, and if a legal holiday then on the first day following which is not a Sunday or a legal holiday. Any business of the Association may be transacted at an annual meeting without being specially designated in the notice, except such business as is specifically required by statute or by the charter to be stated in the notice. Failure to hold an annual meeting at the designated time shall not, however, invalidate the corporate existence or affect otherwise valid corporate acts.

SECTION 1.02. *Special Meetings.* At any time in the interval between annual meetings, special meetings of the members may be called by the Chairman of the Board or the Manager or by a majority of the Board of Directors by vote at a meeting or in writing with or without a meeting.

SECTION 1.03. *Place of Meetings.* All meetings of members shall be held at the principal office of the Association in Columbia, Maryland, except in cases in which the notice thereof designates some other place; but all such meetings shall be held within the State of Maryland.

SECTION 1.04. *Notice of Meetings.* Not less than ten days nor more than ninety days before the date of every members' meeting, the Manager shall give to each member entitled to vote at such meeting, written or printed notice stating the time and place of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, either by mail or by presenting it to him personally or by leaving it at his residence or usual place of business. If mailed, such notice shall be deemed to be given when deposited in the United States mail addressed to the member at his post office address as it appears on the records of the Association, with postage thereon prepaid. Notwithstanding the foregoing provision a waiver of notice in writing, signed by the person or persons entitled to such notice and filed with the records of the meeting, whether before or after the holding thereof, or actual attendance at the meeting in person, shall be deemed equivalent to the giving of such notice to such persons. Any meeting of members, annual or special, may adjourn from time to time to reconvene at the same or some other place, and no notice need be given of any such adjourned meeting other than by announcement.

SECTION 1.05. *Quorum.* Unless otherwise provided in the charter, at any meeting of members the presence in person of members entitled to cast 10% of the votes thereat shall constitute a quorum ; but this section shall not affect any requirement under statute or under the charter of the Association for the vote necessary for the adoption of any measure. In the absence of a quorum the members present in person, by majority vote and without notice other than by announcement, may adjourn the meeting from time to time until a quorum shall attend. In addition, at such a meeting where a quorum of members is not present in person, a majority of the members present may call a further meeting of members, in accordance with the provisions of §135 of Article 23 of the Annotated Code of Maryland (1957 Ed.) and at such further meeting the members present in person shall constitute a quorum and by majority vote of those present may approve or authorize any proposed action, and take any other action, including, without

limitation, the election of directors, which might have been taken at the original meeting, if a sufficient number of members had been present.

(1)

SECTION 1.06. *Votes Required.* A majority of the votes cast at a meeting of members, duly called and at which a quorum is present shall be sufficient to take or authorize action upon any matter which may properly come before the meeting, unless more than a majority of votes cast is required by statute or by the charter. Unless the charter provides for a greater or less number of votes per member or limits or denies voting rights, each member, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of members; but no member shall be entitled to any vote (except a vote for a representative on the Columbia Council):

- (i) if any dues established by the Board of Directors and payable by such member are due and unpaid at the time of such meeting;
- (ii) if any special assessment established by the Board of Directors and payable by such member is due and unpaid at the time of such meeting; or
- (iii) if such member, as determined by the Board of Directors, shall be, at the time of such meeting, in violation of any of the Oakland Mills Restrictions contained in the Deed Agreement and Declaration between The Howard Research And Development Corporation (HRD) and Mildred Virginia Tressler dated the 7th day of November, 1968, and filed for recording among the Land Records of Howard County (the "Oakland Mills Declaration").

SECTION 1.07A. *Votes to be Cast in Person.* Except as specified in this Section 1.07A and in the next succeeding Section 1.07B, no member shall be entitled to assign his right to vote, by power of attorney, by proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that in the case of a corporate member, the vote may be cast by the president or a vice president of such corporation or such other officer as may be designated in writing by the president or a vice president of the corporation; (ii) that members unable to attend a meeting at which Directors of the Association are to be elected or at which a representative to the Columbia Council is to be elected, shall be entitled to file a written vote under the procedure set forth in this Section 1.07A; and (iii) agencies or instru- of the Federal Government, if otherwise entitled to vote, may vote by written proxy. Any member unable to attend a meeting of the type specified in clause (ii) in the preceding sentence may vote for the election of Directors and/or for the election of a representative to the Columbia Council by sending a written letter addressed to the person then serving as Manager of the Association (or if there be no Manager, then to the Board of Directors of the Association) stating (i) that the member will be unable to attend the meeting in question and (ii) that he casts his vote for the individual or individuals listed in the letter. If such a letter is received by the Manager (or by the Board of Directors) on or before the day of the meeting, or within five (5) days thereafter, the ballot embodied in the letter shall have the same force and effect as if the party sending the same had voted in person.

SECTION 1.07B. On any matter submitted to the members for vote, other than the election of Directors or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures, at his election:

- (i) the member may sign a written proxy designating a particular individual to cast the member's vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or

(ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this Section 1.07B shall have the same force and effect as if the member in question had appeared at the meeting and had cast his vote in person.

(2)

SECTION 1.08. *List of Members.* At each meeting of members a full, true and complete list in alphabetical order of all members entitled to vote at such meeting, certifying the number of votes to which each such member is entitled, shall be furnished by the Manager. The method employed by the Manager in determining the names and addresses of members entitled to vote and the number of votes which may be cast by each of them shall have been approved by resolution of the Board of Directors.

SECTION 1.09. *Members.* The qualification for membership shall be that stated in the Charter of the Association.

SECTION 1.10. *Voting.* The rules and regulations concerning the right to vote shall be those stated in the Charter of the Association.

SECTION 1.11. *Informal Action by Members.* Any action required or permitted to be taken at any meeting of members may be taken without a meeting, if a consent in writing, setting forth such action, is signed by all the members entitled to vote on the subject matter thereof and any other members entitled to notice of a meeting of members (but not to vote thereat) have waived in writing any rights which they may have to dissent from such action, and such consent and waiver are filed with the records of the Association.

ARTICLE II

SECTION 2.01. *Powers.* The business and affairs of the Association shall be managed by its Board of Directors. The Board of Directors may exercise all the powers of the Association, except such as are by statute or the charter or the by-laws conferred upon or reserved to the members. The Board of Directors shall keep full and fair accounts of its transactions.

SECTION 2.02. *Number of Directors.* The number of directors of the Association shall be five, as provided in the charter, until such number be changed as herein provided. By vote of a majority of the entire Board of Directors, the number of directors may be increased or decreased, from time to time, to not exceeding fifteen nor less than five directors, but the tenure of office of a director shall not be affected by any decrease in the number of directors so made by the Board.

SECTION 2.03. *Election of Directors.* Until the first annual meeting of members or until successors are duly elected and qualify, the Board shall consist of the persons named as such in the charter. At the first annual meeting of members and at each annual meeting thereafter, the members shall elect directors to hold office until the next succeeding annual meeting or until their successors are elected and qualify. At any meeting of members, duly called and at which a quorum is present, the members may, by the affirmative vote of the members entitled to cast the majority of votes thereon, remove any director or directors from office and may elect a successor or successors to fill any resulting vacancies for the unexpired terms of removed directors.

SECTION 2.04. *Vacancies.* Any vacancy occurring in the Board of Directors for any cause other than by reason of an increase in the number of directors may be filled by a majority of the remaining

Any vacancy occurring by reason of an increase in the number of directors may be filled by action of a majority of the entire Board of Directors. A director elected by the Board of Directors to fill a vacancy shall be elected to hold office until the next annual meeting of members or until his successor is elected and qualifies.

SECTION 2.05. *Regular Meetings.* After each meeting of members at which a Board of Directors shall have been elected, the Board of Directors so selected shall meet as soon as practicable for the purpose of organization and the transaction of other business, at such time as may be designated by the members at such meeting; and in the event that no other time is designated by the members, the Board of Directors shall meet at 12:00 o'clock Noon on the day of such meeting. Such first meeting shall be held at such place within or without the State of Maryland as may be designated by the members, or in default of such designation at the place designated by the Board of Directors for such first regular meeting, or in default of such designation at the office of the Corporation in Columbia, Maryland. No notice of such first meeting shall be necessary

(3)

if held as here in above provided. Other regular meetings of the Board of Directors shall be held on such dates and at such places within or without the State of Maryland as may be designated from time to time by the Board of Directors.

SECTION 2.06. *Special Meetings.* Special meetings of the Board of Directors may be called at any time by the Chairman of the Board or the Manager or by a majority of the Board of Directors by vote at a meeting, or in writing with or without a meeting. Such special meetings shall be held at such place or places within or without the State of Maryland as may be designated from time to time by the Board of Directors. In the absence of such designation such meetings shall be held at such places as may be designated in the calls.

SECTION 2.07. *Notice of Meetings.* Except as provided in Section 2.05, notice of the place, day and hour of every regular and special meeting shall be given to each director two days (or more) before the meeting, by delivering the same to him personally, or by sending the same to him by telegraph, or by leaving the same at his residence or usual place of business, or, in the alternative, by mailing such notice three days (or more) before the meeting, postage prepaid, and addressed to him at his last known post office address, according to the records of the Association. Unless required by these by-laws or by resolution of the Board of Directors, no notice of any meeting of the Board of Directors need state the business to be transacted thereat. No notice of any meeting of the Board of Directors need be given to any director who attends, or to any director who, in writing executed and filed with the records of the meeting either before or after the holding thereof, waives such notice. Any meeting of the Board of Directors, regular or special, may adjourn from time to time to reconvene at the same or some other place, and no notice need be given of any such adjourned meeting other than by announcement.

SECTION 2.08. *Quorum.* At all meetings of the Board of Directors, a majority of the entire Board of Directors shall constitute a quorum for the transaction of business. Except in cases in which it is by statute, by the charter or by the by-laws otherwise provided, the vote of a majority of such quorum at a duly constituted meeting shall be sufficient to elect and pass any measure. In the absence of a quorum, the directors present by majority vote and without notice other than by_ announcement may adjourn the meeting from time to time until a quorum shall attend. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

OAKLAND MILLS COMMUNITY ASSOCIATION

April 25, 2017

Dear Oakland Mills Resident,

On the eve of Columbia's 50th birthday, the Oakland Mills Community Association's Board of Directors, Architectural Committee, and Resident Architectural Committee are pleased to present the revised Architectural Committee Guidelines.

Our village is just a few years shy of the 50-year mark, with much to be proud of. Yet we also realize that the years have taken their toll on some of our housing, making it more important than ever to renew our commitment to the original Covenants.

These Guidelines take into account some new elements (like satellite dish antennas and architectural shingles) that weren't around in 1969 when our Village was incorporated.

Nevertheless, the intent remains the same: to maintain the character and improve the appearance of Oakland Mills. We hope these Guidelines will offer a clearer understanding of our Covenants and inspire our residents to maintain and renew the properties we call home.

If you have any questions about these Guidelines, please contact the Covenant Advisor for Applications or any member of the Architectural Committee. We are always happy to work with residents. You can reach us by phone at (410) 730-4610 or by sending an email to applications@oaklandmills.org.

We look forward to working with you.

Sincerely,

The Oakland Mills Architectural Committee

STATEMENT OF RESPONSIBILITY AND AUTHORITY

The attached Architectural Guidelines supplement the Oakland Mills Community Association (OMCA) Covenants, which are legally binding on anyone who owns property in Oakland Mills. Owners receive a copy of the Covenants when they buy their property. Additional copies are available online at oaklandmills.org or at the OMCA Office in The Other Barn, 5851 Robert Oliver Place, Columbia, MD 21045.

The purpose of the Covenants is to ensure high standards of land use, architectural design, and property maintenance throughout the village. To achieve that goal, the Covenants state:

Anything that changes the exterior appearance of any lot and/or structure in Oakland Mills, any use other than the originally intended use of any lot or structure in Oakland Mills, and any matter which involves the maintenance of any lot or structure in Oakland Mills, is subject to the review of the Oakland Mills Architectural Committee.

The Architectural Guidelines spell out in greater detail the Covenant requirements to uphold high standards of design and maintenance. Since building materials, environmental considerations, and other factors change with time, the Architectural Guidelines are updated at least every 4 years.

The ultimate responsibility for application of the Covenants is vested in the OMCA **Architectural Committee (AC)**, which is composed of all voting members of the Village Board. Each newly elected Village Board selects one member to serve as the **Architectural Committee Chairperson (AC Chair)**, who convenes sessions of the Architectural Committee as needed.

Implementation of the Covenants is broken into two areas: (1) decisions on whether to approve applications for exterior alterations and in-home businesses and (2) resolution of Covenant violations.

The **Covenant Advisor for Applications** administers the process for seeking approval for exterior applications and in-home businesses. (See page 2 for details on how the process works.) The applications are reviewed by the **Resident Architecture Committee (RAC)**, comprising volunteers who meet twice a month. If the RAC decides that an application is consistent with the Architectural Guidelines, it formally recommends that the AC Chair approve the application.

If the AC Chair accepts the RAC recommendation and approves the application, it becomes final. If the AC Chair denies an application, the decision may be appealed to the full Architecture Committee, whose decision is final and binding.

The **Covenant Advisor for Property Concerns** administers the process for resolving complaints about Covenant violations. If a complaint is determined to be valid, the Covenant Advisor sends a letter to the property owner. The letter lists the violations that must be corrected in order for the property to become compliant. (See page 2 for details and timelines.)

If the violations are not corrected in a reasonable time, the full AC can vote to send the violation to the Columbia Association's Architectural Resource Committee (ARC) for possible legal action.

LETTER OF COVENANT COMPLIANCE

Anyone buying property in Columbia assumes responsibility for any existing Covenant violations. Consequently, sellers of homes in Columbia are advised to request a Letter of Compliance when placing a house on the market. Likewise, prospective buyers are advised to ask the seller to obtain a Letter of Compliance well before the settlement date because any non-compliant items become the responsibility of the new owner. The obligation to correct violations transfers to the new owner along with the property.

To obtain a Letter of Compliance, the owner of the property must ask the Covenant Advisor for Property Concerns to conduct an inspection. If the property is free from Covenant violations, a Letter of Compliance is issued. If the inspection reveals violations, the Covenant Advisor notifies the owner of the specific violations. Once these items have been corrected, the Covenant Advisor will re-inspect the property and issue a Letter of Compliance.

RECEIVING ARCHITECTURAL APPROVAL

Application forms for exterior alterations and in-home businesses are available at the OMCA Office in The Other Barn or online at oaklandmills.org. (Click on Buying, Selling, and Maintaining Your Property.) The Covenant Advisor for Applications will be happy to answer questions and assist with any aspect of the process. See Useful Numbers at the end of this document for contact information.

Written approval is required before starting exterior alterations or initiating an in-home business. Otherwise the owner risks the cost of removing the alteration or closing the business if approval of the application is denied.

Please note the following information:

- Maryland law requires homeowners to call Miss Utility before digging, excavating, or altering the surface of the ground in any way. (See Useful Numbers.)

- Townhouse owners should contact their townhouse association, which may have additional requirements or restrictions beyond what is required by the OMCA Covenants. When a property is subject to multiple Covenant agreements, the most restrictive criteria apply.
- No application is required to replace existing approved siding, roofing, windows, and doors of the house and outbuildings if the same color, materials, and style are used.
- No application is required to change from aluminum or wood siding to vinyl siding if the color, style, and orientation will remain the same.
- Generally, any permanent changes to your property (even if made by a previous owner) that have never received AC approval will require an application.

THE APPLICATION APPROVAL PROCESS

Reviewing an application normally takes 16 to 30 days; however, the Covenants allow up to 60 days for review.

Step 1: Submission

Submit a complete, detailed application for exterior alterations or in-home business to the Covenant Advisor for Applications. For OMCA to process an application, it should include the following information, as appropriate:

- Signature of applicant.
- Signatures of at least two neighbors, acknowledging that they have been notified of the proposed alteration or in-home business. (Signature does not imply agreement with the proposal.)
- Site plan or location survey if the alteration will change the footprint of the lot, e.g., a deck, shed, garage, or addition. A site plan or survey is not required for alterations that only change the outward appearance of existing structures, such as siding, windows, or doors.
- Elevation drawings that show the proposed alteration from all sides.
- Colors and samples of materials to be used for the alteration.

Step 2: Review by the Resident Architectural Committee (RAC)

At least one member of the RAC visits each proposed alteration site before presenting the application to the entire RAC at a scheduled meeting, which is open to the public. Applications are discussed in detail. Although the applicant is not required to attend the RAC meeting, it is highly advisable in order to answer questions or consider alternatives. The RAC evaluates each application for compliance with the OMCA Covenants and Architectural Guidelines.

The RAC members then vote on the application and recommend one of the following actions: approved as submitted, approved with specific stipulations, tabled for further study, or denied. The RAC recommendation is forwarded to a member of the Architectural Committee for decision and signature.

Step 3: Review by the Architectural Committee (AC)

An AC member reviews each RAC recommendation and decides whether to accept, revise, or overturn the recommendation. Once the AC member signs the application, it becomes the official decision, which is mailed to the applicant. It is final and binding unless appealed to the full AC, as described below. An applicant who disagrees with an adverse decision may appeal to the full AC.

THE APPEAL PROCESS

Request for hearing. An applicant who wants to appeal the decision must submit a request for a hearing within 10 days of receiving the official decision by mail. The request may be made by email to the Covenant Advisor for Applications or in a letter mailed to The Other Barn, 5851 Robert Oliver Place, Columbia, MD 21045. The Covenant Advisor for Applications will notify the applicant when and where the appeal will be held, at a mutually agreed-to time. The hearing is open to the public and generally occurs just prior to a Village Board meeting.

Hearing. The AC may call upon the Covenant Advisor for Applications and/or designated RAC members for information regarding the decision under appeal. The applicant, if present, may offer both written and oral information to support the appeal. Other residents may speak at the discretion of the AC Chairperson, who conducts the hearing. Other residents may speak at the discretion of the AC Chairperson. The decision of the full AC is final and may not be appealed again.

ARCHITECTURAL GUIDELINES

1.0 AIR CONDITIONERS

- 1.1 No application is required for new whole-house air conditioners as long as they are placed at the rear of the structure or are replacing an existing air conditioner in any currently approved location.
- 1.2 No application is required for a window unit as long as it is at the rear of the structure, not in plain view, and is removed at the end of the cooling season.
- 1.3 An application is required for all other types of air-conditioning units.
- 1.4 Window or through-wall units should be installed so that they are not visible from open space areas.

- 2.1.1 No application is required for a satellite dish or a Multichannel Multipoint Distribution Service (MMDS) antenna that is 3 feet 3 inches or less in diameter.
- 2.1.2 Satellite dishes or MMDS antennas that meet the size criteria should also meet the following provisions:
 - 2.1.2.1 Install the dish or antenna in as inconspicuous a location as possible without substantially degrading reception. Possible locations include but are not limited to: a rear deck surface, rear roof, or site adjacent to a chimney.
 - 2.1.2.2 Run and secure associated cables and wires in an inconspicuous location.
 - 2.1.2.3 If the dish or antenna will be in a location other than the roof and will be visible from nearby streets and/or adjoining properties, it should be screened.
- 2.1.3 An application is required for all satellite dishes or MMDS antennas that exceed 3 feet 3 inches in diameter.
- 2.1.4 An application is required for all dishes or antennas, regardless of size, that are mounted on a pole exceeding 12 feet in height from the ground.

2.2 Television Broadcast Service Antennas

- 2.2.1 No application is required for a television broadcast service antenna that is 12 feet in height or less from the roof of the house.
- 2.2.2 Antenna installations that are inside a structure are encouraged. Possible exterior locations for an antenna include but are not limited to an inconspicuous

corner formed by the junction of an exterior flue and wall, rear roof, or adjacent to a downspout.

2.2.3 An application is required for all television broadcast service antenna poles exceeding 12 feet in height from the ground.

3.0 ATTIC VENTS

3.1 No application is required for attic vents and exterior attic vents provided that they meet the following conditions:

3.1.1 No part of the vent protrudes more than 12 inches above the roof.

3.1.2 All exposed vent parts are painted to match the exterior color of the roof or surface from which they project.

3.1.3 The vent must be roof mounted, located on the least visible side of the roof and below the ridgeline, so it is not visible from adjacent streets.

4.4 Awnings and trellises should be proportional to the visual scale of the house to which they are attached.

4.5 Pipe frames for canvas awnings should match the trim or the dominant color of the house. If awnings are removed for winter storage, pipe frames must also be removed.

5.0 BASKETBALL BACKBOARDS AND POLES

5.1 No application is required for portable basketball poles that meet the following conditions:

5.1.1 Poles are located close to the residence, within the building restriction lines when stored.

5.1.2 The backboard is clear plastic, white, or a neutral color.

5.1.3 Basketball nets are maintained in good repair.

6.1 Open storage of equipment, trash, or building materials is not allowed unless fully screened.

7.0 CHIMNEYS AND SMOKESTACKS

7.1 An application is required for all new chimneys and smokestacks.

7.2 Brick, stone masonry, or boxing with materials matching the exterior wall are the most architecturally appropriate styles for chimneys.

7.3 Under certain circumstances it may be possible to use a non-enclosed chimney pipe. Exposed pipes will be considered only in inconspicuous locations and provided that they meet the following criteria:

7.3.1 All sections of pipe are plumb.

7.3.2 The pipe is painted to blend with the structure.

7.3.3 Zero-clearance pipe is used and mounted directly against the structure.

7.4 The height of the exposed metal section or the boxed-in chimney shall be determined by the minimum permitted by County building and fire codes. The exposed section should be painted to match the roof.

7.5 Dissimilar chimneys on the same structure should not be used unless it is impossible to see both at the same time.

7.6 Additional chimneys should use existing flue enclosures whenever possible.

7.7 All chimney flashing should be painted to match the adjacent surfaces.

8.0 CLOTHESLINES

9.1.2 The bin should be no more than 16 square feet and no more than 3 feet tall.

9.1.3 The bin should be stirred regularly to speed decomposition and to avoid attracting pests and vermin.

9.2 An application is required for all other configurations.

10.0 DECKS, PATIOS, AND WALKWAYS

10.1 An application is required for all decks, patios, and walkways and for changes to such existing structures.

10.2 Patio and walkway materials should be of a neutral color, such as unpainted concrete, stone, brick, pressure-treated wood, or composite material.

10.3 Decks should be constructed of pressure-treated wood or composite material. Railings should be compatible with the existing architectural style of the house. An application is required for colored stains, seals, or paints on the deck.

11.0 PERMANENT OUTDOOR ART

11.1 An application is required for permanent outdoor art, which includes, but is not limited to, statuary, sculptures, and fountains.

11.2 Applications will be evaluated on the object's location, setting, proportions, color, and materials in relation to the surrounding environment.

12.0 DOG HOUSES AND DOG RUNS

12.1 An application is required for all dog houses and dog runs.

12.2 Dog houses and dog runs should be located behind and as close to the house as possible. They should not be located near property lines.

12.3 The colors, materials, and style of dog houses or dog runs should match existing structures or fences as closely as possible. Wire mesh fencing will be considered only to fill the spaces between the rails in fences. (See Fences.)

13.0 DOORS AND WINDOWS

13.1 No application is required for new doors and windows provided that the color, size, and style of new windows or doors do not differ from the existing doors and windows. Changes in materials, such as from wood to vinyl, do not require approval.

13.2 Generally, casement and slider windows are interchangeable.

13.3 New windows and doors should have the same style, size, and color trim as existing windows and doors.

13.4 New windows should be located at the same “head” height as existing windows on the same floor.

14.0 DRIVEWAYS

14.1 Maintenance, repair, or replacement of driveways is the responsibility of the owner or owners. In the case of flag lots or shared driveways, all owners typically share responsibility for maintenance of the shared areas.

14.2 No application is required to replace a driveway provided that the materials, size, shape, and grade do not change from the previously approved driveway.

14.3 An application is required for resurfacing an existing driveway if the material, size, shape, or grade differs from the existing driveway. Changes in grade must be shown on a site plan.

14.4 An application is required for construction of a new driveway. Contact Howard County Department of Licensing and Permits to determine if you also need an entrance permit for the new driveway. (See Useful Numbers.)

14.5 An application is required to expand an existing driveway. The expansion should use the same materials as the existing approved driveway.

14.6 Loose driveway materials (e.g., crushed stone) are unlikely to be approved. Permeable driveways will be considered on a case-by-case basis.

14.7 Driveway aprons may be part of the county right-of-way; if so, the County may require that they remain concrete. Contact the County for clarification. (See Useful Numbers.)

15.0 FENCES

15.1 An application is required for all new fences and changes in configurations of existing approved fences. Open space is a concept that is fundamental to Columbia's plan. The preservation of green space and natural features, as well as a feeling of openness, is a significant difference between Columbia and typical subdivisions. Community open space gives small residential lots a sense of spaciousness. The street sides and many back yards of homes are visually part of the open spaces of our neighborhoods.

15.2 Split-rail fences, 48 inches in height, are commonly approved for property-line fencing. Other types of fences will be considered based on their appearance in relation to the house and compatibility with the surrounding neighborhood.

15.3 Privacy fencing (solid and opaque fences) will be approved only if located near the structure or on a townhouse yard and should not exceed 6 feet in height from the ground.

15.4 Fencing should not extend forward of the rear lines of the house. On corner lots, fences should not extend past the sight line of the house on the street-facing sides or the rear lines of the adjoining houses.

15.5 Fencing should be compatible with any preexisting adjacent fences in height and style. The application to the RAC should include color selection for stain or paint if applicable.

15.6 General guidelines:

15.6.1 Chain-link fences will not be approved.

15.6.2 Hedge fences are typically not approved for property-line fencing.

15.6.3 Property-line fences should not exceed 48 inches in height.

15.6.4 An application is required for the addition of wire mesh to a new or existing fence. Wire mesh may be attached to the interior of an approved fence. It should be a flat dark color and rustproof. Chicken wire is not an acceptable material.

15.7 Gates should be the same material, height, color, and style as the fences to which they are attached.

16.0 FUEL STORAGE TANKS

16.1 Exterior above-ground oil storage tanks are not allowed.

17.0 GARDENS

17.1 No application is required for a garden provided that:

17.1.1 The garden is within 15 feet from the rear of the house.

17.1.2 The garden is less than 200 square feet.

17.1.3 The garden is planted on a grade that does not cause drainage problems to other properties.

17.1.4 Temporary garden fences are removed at the end of the growing season.

17.2 Vegetable gardens must be cleared after the growing and planting season.

17.3 An application is required for all other gardens and for permanent garden fencing.

18.0 GARAGE DOORS

18.1 No application is required for a new garage door if the following conditions are met:

18.1.1 The style is traditional raised panel or flush.

18.1.2 The door is windowless or contains only standard, unembellished windows or door panels. (Embellished elements include stained glass, etched glass, colored glass, or decorative metal pieces.)

18.1.3 The door matches the color of the house siding, shutters, or trim.

18.1.4 The door is constructed of metal, wood, or composite.

18.1.5 All garage doors match if the house has multiple garage doors.

19.0 GAZEBOS

19.1 An application is required for all gazebos.

19.2 Gazebos should be designed and constructed with materials that harmonize with the house.

19.3 The size of the gazebo should be proportioned appropriately to the size of the lot and house.

20.0 GRILLS AND FIREPITS

20.1 An application is required for all permanent grills and firepits and should include location, materials, dimensions, and style.

20.2 An application is required for any refillable propane cylinder exceeding 30-pound capacity.

21.0 GUTTERS AND DOWNSPOUTS

21.1 No application is required for adding gutter guards or replacing gutters or downspouts provided that the color matches the house or trim.

21.2 An application is required for all other changes to gutters and downspouts.

22.0 HOT TUBS AND WHIRLPOOLS

22.1 An application is required for all outdoor hot tubs and whirlpools.

22.2 Hot tubs and whirlpools should be located behind the house.

22.3 Screening, fencing, and landscaping are encouraged to provide privacy.

Note: Check Howard County for required safety measures, such as secure locking lids or fences for hot tubs and whirlpools.

23.0 IN-HOME BUSINESSES

23.1 An in-home business is any business or commercial enterprise conducted on a residential lot, except for licensed in-home day care, as provided in the Maryland Real Property Code. It is neither the intent nor the desire of the AC to regulate the lifestyle of village residents; however, the AC is responsible for ensuring that in-home businesses do not adversely affect the character of the neighborhood.

23.2 Under this guideline, assisted living is considered an in-home business.

23.3 An application is required for all in-home businesses, unless all of the following are true:

23.3.1 The business has no clients, sales people, or others visiting the house in connection with the business.

23.3.2 The business has no employees other than the property owner.

23.3.3 The business has no sign or other advertising device posted on the property.

23.3.4 The business is conducted solely by telephone or computer.

23.4 To receive approval, the application must meet the following conditions:

23.4.1 The applicant for an in-home business must reside on the property.

23.4.2 The business may employ only one person in addition to those residing on the property.

23.4.3 The business must be clearly incidental or secondary to the residential use of the property.

23.4.4 The business must not require the use of a commercial vehicle or require one to be parked on the property, except when enclosed in a garage.

23.4.5 The business must not involve the sale of goods or merchandise from the property.

23.4.6 The business must not require the outdoor storage of materials, equipment, or supplies.

23.4.7 The business must not require the alteration of the dwelling unit in any way that would make it unsuitable for future use as a residence or require the construction of accessory buildings.

23.4.8 The business must not create safety hazards, noxious odors, or excessive noise, or increase pedestrian or vehicular traffic.

23.4.9 The business must not make unusual demands on community facilities or services.

23.4.10 The business must not use Columbia Association open space.

23.4.11 The business may not have signs or advertising devices of any nature anywhere on the lot, including advertisements on vehicles. Small nameplates on doors or adjacent to doorbells are permitted.

23.5 Conditions for maintaining an in-home business:

23.5.1 Approval of an in-home business is non-transferable.

23.5.2 Any architectural or operational variance from the terms of an approved application will require a new application.

23.6 No approval is required for occasional businesses, such as lemonade stands and yard sales, provided all evidence of the use is removed at night.

24.0 LANDSCAPING

24.1 No application is required for individual shrubs, foundation plants, annual beds, perennial beds, or ground covers. Invasive plants should be avoided. (See Appendix for the current list posted by the Maryland Department of Natural Resources.)

24.2 An application is required for:

24.2.1 Any plantings used as a hedge, windbreak, or screen.

24.2.2 Landscaping that involves a change of grade or slope.

24.2.3 Landscaping that involves the installation of a wall or any other structure.

24.2.4 Artificial features such as fences, landscaping rocks, railroad ties, birdbaths, ornaments, or any other permanent landscaping feature. (See 11.0 for Permanent Outdoor Art.)

24.2.5 Rain gardens require an application. (See Appendix for information on the Columbia Association's Cost Sharing Program for rain gardens.)

25.0 LIGHTING

25.1 No application is required for replacing a light fixture with a similar color and style in the same location on the structure or property.

25.2 No application is required for new lighting that suits the style of the residence provided that the following conditions are met:

25.2.1 Lighting located on the front of the house is covered or enclosed in a fixture.

25.2.2 Lighting is not invasive or directed to adjacent properties.

25.2.3 Lighting is not harsh in color or intensity.

25.2.4 Post lights do not exceed 6 feet in height from the ground.

25.2.5 Light fixtures are designed for residential use.

25.2.6 Light fixture is consistent with other fixtures on the structure.

25.3 An application is required to install a post light in a new location.

25.4 No application is required for temporary lighting for seasonal decoration, holidays, and festival use; however, such lighting should be removed within 30 days after the holiday or event.

26.0 MAINTENANCE

26.1 Section 6.01 of the Oakland Mills Village Covenants states:

Each owner shall keep all lots owned by him and all improvements therein or thereon, in good order and repair, including but not limited to, the seeding, watering, and mowing of all lawns; the pruning and cutting of all trees and shrubbery; and, the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management.

“Consistent with good property management” refers to the appearance of the lot in general, including, but not limited to, lawn, trees, shrubs, buildings, or improvements. Note: Howard County code makes property owners responsible for maintaining their sidewalk and driveway apron areas; this includes removing snow and ice.

26.2 The Covenants further state: “No lumber, metals, bulk materials, refuse, or trash shall be kept, stored, or allowed to accumulate on any lot...” This includes, but is not limited to, garbage, items no longer in use, vehicle parts, dead vegetation, and tree branches.

26.3 Seasonal items and tools may not be stored in the open. Ladders must be stored inconspicuously.

26.4 Trash Containers and Recyclables. Except on the scheduled trash day, containers should be stored out of sight. Trash should not be put out earlier than the afternoon before pickup day and should be out of sight by the end of trash collection day. No refuse, trash, or bulk items may be accumulated or stored on any lot.

Note: Information on the use of the Howard County landfill may be obtained by calling 410/313-5410. For other trash information call 410/313-SORT (7678).

26.5 Maintenance of each property shall be done in a manner and with such frequency as is consistent with good property management, including but not limited to:

26.5.1 Bulk Items. Bulk items are not to be stored or accumulated on any lot (including in carports). Store bulk items out of sight or discard them.

26.5.2 Cul-de-Sacs. Maintenance of the cul-de-sac islands is the responsibility of the residents.

Note: Trees within the cul-de-sac island are considered street trees and are the responsibility of Howard County (see 26.5.21).

26.5.3 Driveways. Driveways that are deteriorating need to be repaired or replaced.

26.5.4 Fences. Fences should be in good repair, standing straight with no broken or missing boards and no peeling paint.

26.5.5 Grass. Grass should be mowed and trimmed on a regular basis during the growing season. Tall weeds and overgrown vines should be trimmed or removed. Landscaped areas should also be kept free of weeds and overgrown plant material.

26.5.6 Gutter and Downspouts. Gutters and downspouts should be in place and secure, with no peeling paint. Gutters should be free of debris and dirt, and downspouts should not be clogged. All drain extensions must be buried below ground. Drainage runoff and overflow must be properly diverted.

26.5.7 Holiday Decorations. Holiday decorations should be removed within 30 days after the holiday.

26.5.8 House Numbers. Every house must display a number that is easily visible from the street. (Howard County prohibits painting house numbers on curbs.)

26.5.9 Lampposts and Exterior Lighting Fixtures. Lampposts should stand straight and be free of rust. Light fixtures should not be crooked or have missing or broken light bulb coverings. Globes to cover the light bulbs should always be in place.
