Tuesday, April 19, 2022

Attendees:

- Warren Wortman, chair
- Mike Westendorf
- Bob Marietta
- Marc Klein

Discussion(s):

- Dr. Ball has proposed the Fiscal Year 2023 Capital Budget plan which includes **\$8.2 million** for pathways, bike lanes, sidewalks, curb ramps, and other projects to help implement our Pedestrian Master Plan, Bicycle Master Plan, and Complete Streets Policy.
- e-scooters will begin in the Spring of 2022. According to Jessica Bellah, the [Spin e-scooter range](#) includes the Oakland Mills Village Center and Blandair Park.
- The \$28K cash reserve will be used for the Long Look Lane Project.
- Bike HoCo will hold future bike corrals at the 4th of July fireworks at the Columbia Lakefront and the OM Fall Festival on October 1st.
- Yards Alive cul-de-sac native plant update
- Due to the small size of the Stevens Forest Rd traffic circle, the state of Maryland prohibits tree planting. The Public Space Committee supports Bob Marietta's suggestion to have a picture of an oak tree painted on the circle.

Future Events:

- **May 7th** (9am - 1:00pm) - [Plant Share](#)
- **May 14-15** (in-person event May 14) - BikeAround Spring 2022
