The Oakland Mills Community Association is thrilled that much needed renovations and additions to Oakland Mills Middle School are imminent, and that the same is in the very near future for Oakland Mills High School. We appreciate the work of the Board of Education to prioritize these long-neglected facilities and encourage you to maintain their positions in the capital budget and capital improvement plan moving forward to ensure occupancies in 2028 and 2031 for OMMS and OMHS, respectively. These facilities and the students and teachers they serve can wait no longer.

Thank you.
