DRAFT

Donation Requests Received**2024_2025 OMCA Fiscal Year (May 24-April 25)****Oakland Mills Expense Line for Donations in FY25 Budget: \$5000**

ORGANIZATION NAME	AMOUNT
Luminous Network	\$1000
Oakland Mills Hs Howard Cty. Conservancy Youth Climate Institute	\$ 150
OMHS Fine Arts Boosters	\$10,000
OMMS PTSA	\$2000
Rebuilding Together	No Fixed Amount
SFES PTA	\$1100
The Village in Howard	\$1000
THES PTA	\$2000
TSES PTA	\$800
Request Total:	\$ 18,050

Summary of requests, detail in attached donation requests from organizations:

LUMINOUS NETWORK - \$1000 to support Luminous' ongoing work, especially that work that contributes so directly to the vibrancy of our community. Within Oakland Mills, we are working with the OMHS staff to develop a Spanish-language series of talks in the Scorpion Speaker Series to cover mental health, financial literacy, college and career readiness, and immigration rights.

OAKLAND MILLS HS HOWARD CTY. CONSERVANCY YOUTH CLIMATE INSTITUTE - \$150 – The OMHS Youth Climate Institute (YTI) provides extracurricular opportunities for high school students to gain climate science knowledge and engage with their peers and community through civic action. YCI engages high school students by providing training and mentorship opportunities as part of a nationally recognized certification.

OAKLAND MILLS HS FINE ARTS BOOSTERS - \$10,000 towards the Oakland Mills Fine Arts Boosters as OMHS FAB needs as much support as we can get. A donation of **\$10,000** would go far in helping our performing arts students excel, but any amount you are able to donate to FAB would be appreciated and could make all the difference in the high school experience for our talented performing artists. The Fine Arts Boosters fund a variety of things, including travel expenses for events like String-a-Palooza, Adjudication and Assessments, uniforms, sets and costumes for theater productions, instruments, publications, and training visits from Master Clinicians,

OAKLAND MILLS MS PTSA - \$2000 to support scholarships and cost reductions for our students in 6th, 7th and 8th grade. With this grant, we envision supporting each grade with \$500 (6th, 7th, 8th) and \$500 to support other trips, like French, Spanish and/or Music in the Parks. We will always work in coordination with the school and staff to best ensure our OMMS students receive the same experiences as kids across the county and that cost is not a barrier to their participation. Sometimes that looks like reducing overall costs for the whole trip and sometimes that means scholarships for individual students.

REBUILDING TOGETHER - HOWARD COUNTY– No Fixed Amount – Any donation that helps us fulfill our mission: Safe Communities and Homes for Everyone. So far this year, Rebuilding Together has repaired six homes in Oakland Mills. The average cost per home was \$3580.

STEVENS FOREST ELEMENTARY SCHOOL PTA - \$1100 to help make our annual STEM night and Arts Nights incredible and enriching experiences for the community. Our **STEM Night** is held every year where we provide community members with science and tech-related activities and demonstrations. Our goal is to inspire children and stimulate their minds to be curious about science. We expect the costs for the night to be **\$900**. Additionally, our PTA will host **2 Art Nights** where we provide community members with art activities to foster creative expression. We anticipate the PTA costs for both art nights to be **\$200**.

THE VILLAGE IN HOWARD - \$1000 to supplement the funding that The Village in Howard has requested to support their new volunteer coordination model. TVIH has applied for a foundation grant for seed funding for this model. Their current volunteer service model relies upon volunteer coordination by senior volunteers. This model is at capacity and is not sufficient to handle further growth. In order to handle this growth, TVIH needs to adopt a paid volunteer coordination model.

THUNDER HILL ELEMENTARY SCHOOL PTA – \$2000

- 1. \$500.00** to purchase indoor recess activities for the approaching winter/inclement months. This money will enable us to allocate between \$20-\$25 per classroom to purchase approximately two new games or activities per class.
- 2. \$1000.00** to purchase materials to support the creation and implementation of a drama program for students at THES. The primary cost for the drama program that funds would support is licensing fees for the scripts/music which can range from \$600-\$900. We do plan to supplement these costs through fundraising efforts.
- 3. \$500** to support our THES community garden. With the requested funds our community gardeners would have an opportunity to diversify the planted fruits in the garden, add seeds in the spring, and refresh the pots, soil, and compost this year.

TALBOTT SPRINGS ELEMENTARY SCHOOL PTA - \$800 to support our Eagles Winter Shop. Last year, we wanted to offer food because we were asking people to spend their evening at school, but we had to charge for it. This year our goal is to increase accessibility and attendance by offering dinner at zero cost to families attending. Our “dream” would be to have every child in attendance receive a small credit to shop, so no matter what kids get to pick something out.
