Dear Mr. Mooneyhan,

The Oakland Mills Community Association would like to thank you for designing and displaying the banners at Blandair Regional Park giving information and directing park visitors to the Oakland Mills Village Center. Julian Henson has been instrumental in working to get the banners created and hung at the park, ready for everyone to see by this summer's tournament season.

Thank you for being a good partner and working with us to keep Blandair Regional Park a wonderful addition to Howard County and the Oakland Mills community. We look forward to continuing to work with Howard County Recreation and Parks to maintain Blandair as a community park for all.

Thank you,

Jonathan Edelson, Chair
Oakland Mills Community Association Board
